by the Court of Appeals.

Justices Andrews and Finch Dissent from the Opinion.

Local Opinions on the Importance and Wisdom of the Decision.

ALBANT, Oct. 13.—The Legislative Appertional.

holding the Apportionment law to be unconstitutional, in which Judge Finch concurs.

The main opinion upholding the law is written by Judge Peckham. Justice Gray also writes an opinion unholding the law. Judge Peckham takes up first the contention that the law was passed in violation of that provision of the Constitution which directs the alteration to be made by the Legislature at the "first session after the turn of every enumeration." He says:

The act was in truth passed at an extraordin

The act was in truth passed at an extraordinary session of the Legislature called by the Governor, and after the return of the enumeration of 1892.

* * The Governor by the terms of the Constitution has "power to convene the Legislature" or the Senate only "on extraordinary occasions."

When thus convened, is not the Legislature in session? And, can it be for a moment correctly contended that a session thus convened is the same session which had already terminated by an adjournment without day? It is not a regular session, it is true. It is what the Constitution describes it—an extraordinary session, but yet a session of the Legislature. The Constitution does not say that the session which is to dealbwith the The next part of the opinion is on the

stitution. It dismisses the claim as having no color of validity. The omission of the duty of providing for an enumeration by the Legislature of 1885 and thereafter, up to 1892, did not, it is held, prevent the perormance of the duty by the suc Legislature. In fact, that duty was cast, until fulfilled, upon each succeeding Legisla-
